13. The apartment is extremely well equipped, for the benefit of all of my guests – I am happy for you to use any of the equipment, including use at the beach etc (e.g. deckchairs,, windbreaks etc) and again, all that I ask is that you treat the items with respect, as you would your own and please ensure they are returned to the apartment or shed before your departure.
14. Small items of breakage e.g. glasses, cups, plates etc are expected from time to time and I make no charge for such accidents, although it would be useful if you could advise me asap such that I can arrange for replacements before the arrival of the next guests.

If such damage was incurred during your stay, your honesty would be appreciated in contacting me asap such that the problem could be rectified and discussed. 16. We expect guests to show full respect for our property during their stay, plus it must be left in a tidy state upon departure e.g. pots washed and put away, fridge emptied, rubbish bin emptied etc etc. Our cleaner is paid to clean the apartment and NOT tidy up after guests. If the apartment is not left in a reasonable state and we incur additional cleaning costs as a result, these charges may be invoiced to you.
